Hi Stacey / RDRV Registry,

Re: **RT2513372** (Bond dispute) — **Correction of party/Respondent listing in myRDRV**

The **Orders dated 18 February 2026** list the **Respondent (Rental Provider): Ms Ting Zhang**.

However, the **myRDRV portal currently displays "Respondent 1: Charis Lee"**.

For clarity: **Ms Charis Lee** is an **earlier managing agent/property manager** (BnBCulture / Areal Property (MPM)) whose **signature appears on the original rental agreement**, but she is **not** the rental provider/respondent for this proceeding.

Please update the **party/Respondent details shown in myRDRV** to align with the Orders and the Applicants' Schedule of Parties (rental provider: **Ms Ting Zhang**).

Attachments:

1. **RDRV Orders dated 18 February 2026** (showing Respondent: Ms Ting Zhang)
2. **Applicants' Schedule of Parties** (relevant pages)

Kind regards,
Chawakorn Kamnuansil
(RT2513372)

Hi Chawakorn,

I need you to review the files you submitted as supporting evidence - most of the pages you provided are blank so can you please tell me is this exactly what you wanted to submit.

The rental provider is Ting Zhang - you need to submit your documents to the agent of the rental provider: brian.jeon@areal.com.au, arealpropertymelbourne@email.propertyme.com, nicky.talbot@areal.com.au.

Please do all of these before the date provided in the order or this matter may be struck out.

Kind regards,

Stacey

Hi Stacey,

Thanks for calling — I understand you're seeing some pages as blank/black in the preview.

I've re-sent the Supporting Evidence PDFs and I need to confirm you are viewing the correct files and not relying on the email/CMS preview renderer (which can sometimes fail). Please do the following:

1. **Download the attachments to your device/computer (save locally)**
2. **Open locally** using **Adobe Acrobat Reader** (preferred) or **Chrome/Edge built-in PDF viewer**
    - Please **do not rely on in-email / in-portal preview** for verification.

Attachments (please confirm these exact files):

- **Submitted documents: Supporting Evidence Part 1.pdf — 49 pages**
  SHA-256: `dfc75e674de9e72e0119032162390d941127a24427dc13431579b7e7357314d6`
- **Submitted documents: Supporting Evidence Part 2.pdf — 108 pages**
  SHA-256: `413d350073c2151ca352b72b5489f6be0967c24cf9ea4bd77e4ecded880654e1`

If you still see blank/black pages **after downloading and opening locally**, please reply with:

- which file (**Part 1** or **Part 2**),
- the **page number(s)** showing the issue,
- the **PDF viewer/app name** and **device/OS** used.

Once I have that, I can provide a compatibility-safe version for your specific preview environment if needed.

Kind regards,
Chawakorn Kamnuansil
